

# Drug Discount Program

CCI has partnered with pharmacies to offer eligible patients discounts on approved prescription medications and over-the-counter (OTC) medications written by a prescription.

**All patients are eligible, but they MUST**

- Receive services from CCI
- Have a relationship with CCI
- Receive a prescription from a CCI provider

**Remember, you must get your prescription from CCI to qualify for the discount, and that refills can only be discounted through this program if the initial prescription was eligible.**
